Staying in the Villas la Clairiere aux Chevreuils with Madame Vacances

Visiting Moliets in the South of France is a real adventure filled holiday for all the family. Dyl and I had a blast trying out a plethora of activities and Dyl absolutely pushed himself to his boundaries and tried things that he has shied away from in the past. I have written about the activities for older children and teens to try in Moliets but also wanted to share a little more about the accommodation we stayed in and saw in the region. We stayed with Madame Vacances who have 25 years of experience as a holiday specialist. Our home was a luxury villa in the Villas la Clairiere aux Chevreuils set up. The villa sleeps 8 in a mixture of double and twin rooms, most bedrooms were fully ensuite. Dylan being the only boy in our villa grabbed a twin room to himself whilst the other girls shared with their mums. All villas come with:– A private garden with terrace and swimming pool– Comfortable living room– Washing machine and tumble dryer– Bathrooms and separate toilets
